Effective Date 11/8/99

Page 2 of 2

The RMRS Facility Evaluation Board (FEB) will conduct reviews and assessments of RMRS operations and programs. These evaluations will assure that senior management receives an independent source of safety and operational effectiveness. The FEB roles and responsibilities include the following:

- 1 Conduct independent reviews and assessments of RMRS Operations
- 2 Manage periodic integrated facility assessments
- 3 Provide RMRS senior management an overall status of the conduct of operations and adherence to site procedures and protocols
- 4 Conduct cross cutting assessments of selected topics across all RMRS managed facilities
